**OPĆE INFORMACIJE / GENERAL INFORMATION - [splitshowsinfo@gmail.com](mailto:splitshowsinfo@gmail.com)**

Foto Boris Glukharev

**Punih 17 stoljeća traje priča o Splitu, još otkako je rimski car Dioklecijan odlučio baš na tom poluotoku blizu velikog rimskog grada Salone izgraditi palaču u kojoj bi u miru proveo posljednje godine svoga života. U tih 1700 godina Palača je polako postajala i postala grad, koji danas mami bogatom tradicijom, veličanstvenom povijesću, ljepotom prirodne i kulturne baštine.**

**Dioklecijanova palača i cijela povijesna jezgra Splita na spisku su svjetske baštine UNESCO - a još od 1979., i to ne samo zbog izvanredne očuvanosti same Palače, nego bar jednako zbog toga što Palača i njezin grad (ili grad i njegova Palača, kako vam drago) i dalje žive punim životom. U toj strukturi vidljivi su i još uvijek živi svi povijesni slojevi od starog Rima, preko srednjeg vijeka do danas. Šetnjom kroz drevni grad moguće je putovati kroz vrijeme, promatrati vrhunske primjere antičke arhitekture poput Peristila, srednjovjekovne romaničke crkvice i gotičke palače, renesansne portale plemićkih kuća, barokne fasade, sve do moderne arhitekture izvanredno uklopljene u bogatu baštinu.**

**Takva slojevitost odražava se i u svakodnevnom životu Splita. Lokalni stanovnici sjede u istim kafićima, restoranima i kupuju u istim trgovinama s turistima, dajući im dojam da su dolaskom u Split postali sastavnim dijelom grada i njegovog ritma. Tržnica i ribarnica u centru su života svake splitske obitelji, kao što se cijeli društveni život grada od 200 tisuća stanovnika ogleda na njegovoj Rivi, gdje će svaki gost koji drži do sebe popiti kavu sjedeći do bučnih, temperamentnih Splitskana.**

**Split je mnogo više od veličanstvene arhitektonske kulise. Grad je to u kojem je moguće uživati u vrhunskoj gastronomiji i vinima, naći brojna kulturna događanja poput filmskih i kazališnih festivala, izložbi, vrhunskih muzeja i koncerata, grad koji nudi zabavu od brojnih klubova i barova preko uličnih događanja do festivala poput Ultra Europe kojeg svake godine posjeti i do 100 tisuća mladih iz stotinjak zemalja svijeta. Split sa svojim desecima osvajača olimpijskih i drugih medalja ima i sportsku tradiciju kao malo koji drugi grad njegove veličine na svijetu.**

**Kad vam dosadi gradska vreva, tu je Marjan, brdo simbol nad gradom, sa svojom šumom, stazama za trčanje, planinarenjem i biciklizmom, rekreacijskim terenima, ali i drevnim crkvicama u kojima su stari Splitskani tražili duhovni mir. Tu su i plaže, za grad veličine Splita neobično brojne i čistog mora, od slavni pješčanih Bačvica do kamenih osamljenih oaza oko cijelog Marjana.**

**Nakon svega, čudi li vas što Splitskani svoj grad najviše vole opisivati riječima "Nima Splita do Splita"?**

*The story of Split is already 17 centuries old, dating to the time the Roman Emperor Diocletian decided to build his Palace right on the peninsula near the great Roman city Salona, where he wanted to spend the last years of his life. During these 1700 years the Palace slowly turned into a city, which to this day lures with its rich tradition, glorious history and beauty of its natural and cultural heritage.*

*Diocletian Palace and the entire historical core of Split have been on the World Heritage UNESCO list ever since 1979, and not only for the extraordinary preservation of the Palace, but also because the Palace and its city (or the city and its Palace, if you like) continue to live a full life. All historical layers from the old Rome, middle ages till today are still visible and alive in this structure. A walk through the ancient city takes you through time, along the great examples of ancient architecture like Peristyle, the middle aged Romanesque Church and Gothic Palace, Renaissance portals of the noblemen's houses, Baroque facades and modern architecture superbly merged in the rich heritage.*

*Such stratification is mirrored in everyday life of Split. Local inhabitants sit in the same cafes, restaurants, shop in the same stores as tourists, giving them the impression that, by arriving to Split, they became a part of the city and its rhythm. The vegetable market and the fish market represent the center of each family's life in Split, just as the entire social life of this city of 200 thousand reflects on the Riva (waterfront), where every guest should endeavor to have his coffee alongside noisy, temperamental folk of Split.*

*Split is much more than glorious architectural scenery. Split is also a venue for excellent gourmet and vine experiences, numerous cultural happenings like film and theater festivals, exhibitions, excellent museums and concerts, a city which offers eclectic modes of entertainment starting with numerous clubs and bars, through street festivals to events such as Ultra Europe Festival visited each year by up to 100 thousand young people from around one hundred countries of the world. Split with its sport results is something only a handful of cities of similar size around the world can boast about as it is the home of a dozen Olympic medal winners as well as other sports medals.*

*When you tire of the city bustle, there's Marjan, hill symbol over the city, with its forest, jogging trails, mountain climbing and biking, recreational terrains, but also the ancient churches where the late citizens of Split sought spiritual peace. Also very unusual to find in a city the size of Split are the numerous beaches with extraordinarily clean sea, from the well known Bačvice to the stone secluded oases' all around Marjan.*

*After all that's said are you at all surprised that citizens of Split have a saying "There is no place like Split"?*
